

Capabilities Statement

As third-party logistics provider we have grown to become one of the key players in today's competitive supply chain market. For over 25 years, we have provided premier supply chain services and solutions to Fortune 500 and Fortune 1000 clients in a wide variety of industries including manufacturing, food and beverage, retail and sporting goods to name a few.

Truckload Services Offered

- Van
- Refrigerated
- Flatbed
- Specialized
- Private & dedicated fleet capacity & utilization
- Dropped trailer arrangements
- Expedited Services

What Sets Us Apart

We pride ourselves in offering you solutions that go beyond your normal shipping requirements through:

- Cost savings without service level compromise
- A knowledgeable dedicated team managing your shipments.
- Carrier base focused on strong relationships
- State of the Art software platforms
- Advanced I.T. solutions
- Multiple tracking options
- 24/7 Shipment monitoring including status updates after hours, weekends & holidays

Experience

- "Top Tier" carrier status achieved and maintained with Walmart for over 12 months consecutively
- Handled large volume increases in seasonal flatbeds, up to 300 shipments per week of bagged soil & mulch, for a 10 week period.
- Provided a major retailer a substantial drop trailer pool for multi-stop live deliveries during a holiday week on extremely short notice.
- Extensive experience with extremely time sensitive production deliveries for our manufacturing customers.
